Outstanding Woman Nomination Opportunity: Every Church is Welcome!

A luncheon to honor women who have given outstanding service to their local church, their communities, and the wider church will again be held by the UCC Women's Network at the Northern California Nevada Conference's Annual Meeting at the NEW location: **Hotel Sofitel, Redwood City.** No one knows the women of your church as well as you and your own church know them. No one appreciates their service more. Therefore, when a church community sends in a nomination, that knowledge will be recognized and your nominee will be honored at the NCNC Annual Meeting as one of the outstanding women of the Northern California Nevada Conference.

Here is your chance to honor a special woman in your church! *All nominees attending the Women's Network Saturday luncheon will be recognized and honored at the luncheon.* We wish to include their name in the program and offer a certificate of congratulations. This is only possible **if a nomination form is turned in by the deadline.** We had a great time last year. Get involved now and join us for a wonderful celebration!
